We recommend that visitors park at one of the nearby lots on Rosemary Street and walking in the directions marked on the map.

The CSCC is best accessed from Franklin Street. The entrance to the building (Franklin Street Plaza) is not specifically labeled, but directly outside of our doors is a major stoplight and crosswalk across Franklin Street. It has two sets of double doors and a brown façade.

From the Franklin Street entrance, walk down the mural-painted hallway to the end, where two elevators await. The CSCC is spread out over the 2nd, 3rd, and 4th floors. Our main reception is in Suite 203, at the end of the 2nd floor hallway.
