Lead Author Manuscripts in Progress

#	MS#	Title	ECI	Site	Co-author(s)	Pub Comm Deadline	Submit to Pubs	Status
1	047	#47 CT measures of airways and emphysema in smokers by race/ethnicity Email			R. Graham Barr, Jeff Curtis, Carlos Martinez, Eric Hoffman			Analysis ongoing
2	046	#46 Antidepressants and COPD Exacerbations: The SPIROMICS			R. Graham Barr			Analysis

Fill in the information for your Manuscript. Fields marked with a red asterisk (*) are required

Include your working title, which may be different from the original proposal

Highlight your original MS number and title. If you are unable to find these, select “-None-” and put a note in the “Additional notes for consideration” field

Review the co-authors listed on the website (My Work → Manuscripts in Progress) and make changes, if necessary.

Add any additional notes (If you are unable to find your Manuscript Proposal, enter a note here)

Upload your Manuscript and any subsidiary documents (charts, graphs, etc.)

Create Draft Manuscript

Submission of draft manuscript that co-authors have signed off on for Pubs Cmte Review (do not use this form for proposal submission or resubmission, return to Pubs Hub and select Submit Proposal for Manuscript).

An autocomplete, or word completion, field has a "○" at the right. This means it features a utility which predicts the content of the field as a user is typing. Users can typically use the "Tab" key to select a suggestion or the "Down Arrow" key to select one of many suggestions from a list. Be sure to check the content of these fields after selection.

Draft Title *
Upload of Draft MS for Publications Committee Review Submission Form Fields

Lead Author
Please enter first 5 -7 letters of last name and wait, a list of database name(s) will appear, select name with cursor highlighting correct name, press enter key. After selection is made the name will appear in field with a number in parenthesis afterwards E.g. David Couper (###)

As lead author, by completing this submission/upload acknowledge that my co-authors have contributed, reviewed and signed-off on *

Manuscript
Select original approved MS# and title of the submission from drop down.

- None -
- 006 - #6 Bronchodilator Responsiveness According to the Revised GOLD Classification on COPD: Results from SPIROMICS.
- 007 - #7 New GOLD Classification in SPIROMICS: A Comparison of Classification by MMRC vs CAT
- 008 - #8 SPIROMICS Protocol and Oversight Standardization for Multicenter Use of Quantitative Computed Tomography to Phenotype the Lungs in Chronic Obstructiv

Should the Study track this paper as being led by an Early Career Investigator? N/A NO YES

The list of co-authors on website matches the draft paper? N/A NO YES

The website list of co-authors needs corrections? N/A NO YES

Specific co-author corrections (subject to Pubs Committee approval) are

Additional notes for consideration
E.G. If the paper does not require data verification please specify the statistician and whether they are certified by SPIROMICS.
